Q11

**Please tell us about your year.**

Take at least 10 min and describe the last year (from January until now) in terms of the events, experiences, and feelings that were personally important to you. Please do not use any memory aids like calendars or pictures and focus instead on the memories that come to you naturally.

Please enter you first memory into the text field below. When you are done entering the memory, if you have more memories to enter, select "enter another memory" and then click the >> button to move on to the next page. If you do not recall any more memories, select "I am done" and move on to the next page. **Enter each memory on a separate page. Please provide complete sentences and be as detailed as you can.** If nothing comes to mind immediately, it is okay to take a minute and think.

mem1 Please enter another memory from this past year using complete sentences.
